Reviews

This is the very best book i actually have read till now. It is loaded with knowledge and wisdom I am just easily could get a satisfaction of reading a created ebook.

(Ena Huel)

DESIGNING MODERN GERMANY (PAPERBACK)

Reaktion Books, United Kingdom, 2009. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. German design and architecture reflects the country s rich and fraught political history in its structure and aesthetic philosophy. Jeremy Aynsley now offers an in-depth study of this relationship between German history and design since 1870 and the complex principles underlying it. Designing Modern Germany reveals how German attitudes toward national identity, modernity and technology are crucial to understanding German design. Aynsley traces the historical development of German design, beginning in the 1870s with the first dedicated Arts and Crafts schools and stretching through to the famous institutions of the Bauhaus and the Ulm Hochschule fur Gestaltung. He analyses the works of leading figures such as Peter Behrens and Hannes Meyer, through to Ingo Maurer and Jil Sander, and many others in design specialties, including graphics, industrial products and furniture, fashion and architecture. He also offers the first consideration of the contrasting traditions of East and West Germany between 1945 and 1989. Whether examining the pre-First World War department store, the National Socialist fashion system or East Germany s official design culture, German design significantly affected citizens daily lives. An essential read for designers and scholars of German arts and history, Designing Modern Germany is a key text for understanding Germany s major contribution to twentieth-century design.
