A contemporary overview of human sexuality that fosters personal reflection and critical thinking Revel(TM) Human Sexuality in a Changing World provides a clear overview of this diverse field, aimed at helping students see the effects of both biology and culture upon human sexuality. In order to foster a more personal and impactful learning experience, authors Spencer Rathus, Jeffrey Nevid, and Lois Fichner-Rathus encourage students to reflect upon their own beliefs and experiences as they proceed through the text. In addition to the latest research, the Tenth Edition has been updated with new content on the ways in which the Internet and digital devices have impacted sexuality in many contemporary societies. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one...
