## Time to Fly (Paperback)

By Donna Lewis

William R. Parks, 2014. Paperback. Condition: New. Rebecca Bibbey (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.An easy to read, pre-math book for preschool age children. Time to Fly teaches preschool children simple subtraction including the concept of zero. A reviewer wrote: The book should be welcome by parents who want to advance their children s knowledge of simple arithmetic. A first grader read this book with very little help. Since beginning reading is now taught in kindergarten, the only word she didn t know in this book was lollipop. Published in the United States by William R. Parks - To receive a free catalog via email in a PDF file attachment with sample chapters from our books listed at send your request via email to: The formal education of author Donna Lewis began in a one room country school house and finished at Indiana University graduate school. Her informal education includes the arts and photography, practiced during European travel. She hiked the Colorado mountains and studied drama in Chicago. A retired teacher, Donna lives in Ohio where she uses her creative talent to write and design children s books. Rebecca Bibbey is a retired teacher...
