The Federal Government and Education an Examination of the Federalization Movement, in the Light of the Educational Demands, of a Democracy (Classic Reprint)

By Robert H Mahoney

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Federal Government and Education an Examination of the Federalization Movement, in the Light of the Educational Demands, of a Democracy The era in which society now finds itself is conspicuously one of stress. Out of the vortex of a world-wide war which threatened to undermine the very structure of society and to render desolate and void the accumulated treasures of the race, there has developed in the minds of men a critical attitude, a spirit of challenge, and of keen penetrating inquiry into the foundations of the existing social economy. No institution has escaped the test; the school, the church, the state, the home, - all have been placed on trial, and all are being weighed in the balance of public opinion. Out of the babel of confusion that exists on all sides, discrepant voices are heard. On one side it is the voice of the conservative, firm in the conviction that the present order is inherently sound, and that its ills can be assuaged by the wise and benevolent administration of constructive reform....
