Oxford University Press, United Kingdom, 2013. CD-ROM. Condition: New. Language: English . Brand New. Across all levels of insight, your students will be challenged by the thought-provoking topics and information-rich texts that will educate them about the world they live in and inspire debate and discussion. The approach to learning vocabulary throughout the course is consistent, coherent and systematic. Students have a wealth of opportunities to practice and embed their learning through vocabulary insight pages in every unit, a ten page vocabulary bank at the back of the Student Book for each level and additional online vocabulary practice. Culture and literature are also woven into lessons across every level of insight with literature extracts from a wide range of genres, and exercises that highlight the customs, traditions, and history of English-speaking countries.
