Torcello Editions. Paperback. Condition: New. 354 pages. Dimensions: 9.2in. x 6.1in. x 0.8in. June Keys life started typically enough in the West End of Louisville, Kentucky, where she was born into the Roaring Twenties and grew up in the Great Depression riding her beloved bike, Blue Streak, all around the streets of the city. But soon all signs indicated that Keys life would not be typical. From shaving her head to enter the boys-only Soap Box Derby to getting promoted over men in a World War II munitions factory, whenever faced with limitations to what she could do, June Key simply said, No thanks. Dropping out of high school to work after her mother died and her father had left years earlier, she eventually became involved in the PTA through her kids, advocated for those with special needs, started a clothing bank for needy children, established nutritional programs for the hungry, then was hired by the school board, and became a leading community voice of reason as the Louisville school system integrated following a court order in 1975. From there she went on to help school systems across the country in their similar integration efforts. The Louisville Courier Journal headlined June Key Is the Best Thing the Louisville Schools Have Going for Them. The Los Angeles Times called her Mother Tums for her role in helping to soothe their racial divide during school integration. And in a personal meeting at the White House, President Gerald Ford teasingly called her the Queen of England. Her story covers an incredible range of experience from carting her mothers homebrew around the neighborhood in a little red wagon during Prohibition to melting in amazement as she held the hand of the beaming Dalai Lama. And yet, through it all, she always remains the same sensible,...
