

The Babylon Gene (Paperback)

By Alex Churton

Head of Zeus, United Kingdom, 2012. Paperback. Condition: New. New.. Language: English . Brand New Book. When Jihadists bomb a Masonic lodge in Istanbul, maverick British agent Toby Ashe is hurled into a race against the CIA to solve an intelligence puzzle encompassing genetic research, the origins of Freemasonry, a covert SAS mission and the strange disappearance of the leader of an ancient Kurdish tribe. What if the superpowers of the twenty-first century aren't fighting over resources, regime change or religion? What if the world's governments are seeking something far more dangerous? A centuries-old weapon of terrifying power.

Reviews

The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.
