Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From Korea to Qatar, Milan to Manchester, football is a game that evokes emotion in fans the world over. Travelling the globe, journalist Drew Farmer experienced the highs and lows of football in countries with their own footballing customs. From eating sunflower seeds on the terraces of Bozsik Stadium to hanging with Atalanta ultras in Bergamo, Farmer has written a first-hand account of his adventures following the world's most popular sport. Like Bill Bryson on a football weekend trip, Farmer will take you to the places he has been, recounting them in his own cynical humour. My expectation of enjoying it was sky-high. And, as happens too little in life, my incredibly high expectations were met. This book is a simple read, full of personal narrative and point-of-view observations about a number of teams and soccer experiences. For someone like myself who does not have many such experiences, I was unable to put the book down. - Robert Soccer Travels encapsulates the beautiful game and what it means to everyone around the world in a wonderfully authentic way. It offers first-hand insight into the varying cultures of the game and highlights how much of an influence soccer has beyond the pitch. From Kansas City to Seoul and everywhere in between, Soccer Travels offers a unique and informative view on the world's most played sport. I would certainly recommend Soccer Travels to fans of the game far and wide. - Louis.
