Tracks Publishing,U.S. Paperback. Book Condition: new. BRAND NEW, Beautiful Soccer: Creating Passion & Confidence in Young Players, Ryan Marquez, Doug Werner, Ages 9 years & over. Exploring the role of coaches and parents, this book emphasises the importance of team identity and a team mindset, and presents the necessary foot skills and tactics to help young soccer players both perform better and have more fun. As youth soccer becomes increasingly popular, coaches often gloss over individual improvement in order to win, relying on rigid systems and a few elite players to carry a team. This impairs player development and kills the joy of the game -- so how can adults make competitive soccer better for children? Addressing that very problem, this book outlines basic patterns of play that young players can use to advance the ball and illustrates innovative techniques that will help improve any team. Moreover, this book advocates a soccer culture free from the fear of failure; instead, players, coaches, and parents are encouraged to foster confidence, passion, creativity, and the desire to try and keep trying.
