SIGNALS OF SMOKE AND ASH

Trafford Publishing, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Evan Quitelle has done it again. This compilation of poetry is a beautiful work of art. Sensual, sultry and sexy Signals of Smoke and Ash seduces with every verse. You will enjoy a romantic interlude starting with the title of each poem, and each line of wordplay is foreplay. Evan Quitelle s vision and creativity is brilliant. His words of love and affirmation are intense and powerful as evidenced in the selection Dwelling on the Past. / I miss the water near Yesterday how we drank with laughter and you taking a dip / I miss the wilderness with wild honey how I borrowed from you and you paying me back / I miss coming down off of our high horse and casting shadows on the sundial / I miss our native tongues your cardinal points and filling the feel of you / I miss standing just outside the frame digging your scene / I miss captured in brief laced hips and satin lips pursed for satisfaction / I miss the pilgrimage south the middle passage how you compass rose and I nourished the bloom / I miss you breaking the fall when I reached out and I held on to holding you / Signals of Smoke and Ash will take you to the plateau and then make you soar. This volume of poetry is an intimate caress.
