Brand New Book ***** Print on Demand *****.How often do you have the feeling that your presence on earth has true meaning, an underlying purpose to the day to day steps you take? When we have conquered the survival mode way of living, we seek to be fulfilled, satisfied and mindful. The portal to that inner power rested in the Mayan culture, now it rests upon our soul friends. This story begins in the astral spheres where the four loving souls are preparing for yet another journey to the earth plane. Being born in different corners of the earth, the question is if they will find each other? And if they do, can they recognize their most dearest soul-mate? The brave explorers will be send this time to teach society about their special soul-mission in life through example and with a unique manuscript that Ixaya will receive through channeling. In order to teach about power, one must know how it is to suffer first, so their lives won t be without heavy challenges. Can they get in touch with their true self, see that inside...
