

False Accusations: Guilty Until Proven Innocent

Filesize: 2.42 MB

Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dylan Schaden)

Strategic Book Publishing Rights Agency, LLC, United States, 2011. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Moving the family from the UK to France was intended to bring a new and better life, and to give two newly adopted and troubled children a fresh start. One Monday morning, everything changed; the whole family would fall apart in the instant it took for one little girl to lie. The female detention judge looked at the author and spat the words, You Monsieur Greene, are a paedophile and a pervert, and I have the authority to put you in prison for 20 years. I am going to make it my mission to do so. In a country where it is presumed children don't lie, it took three years to fight the archaic, biased French system and clear my name by law, but clearing my name with the French people was another matter. In this true story, the author tells how sometimes good intentions are not always enough. We have managed through our own strengths and that of our true friends to put it behind us, but I still, to this day, have nightmares of the time I spent in a jail more akin to Victorian England. He wrote this book to show how False Accusations affect not only the accuser and the accused, but everyone in between. About the Author: Nik Greene grew up on a farm in Norfolk, England. He moved his family to Limoges, France in 2004, and today lives between Pompadour, France, and Kent, England. He is now studying criminal psychology, and is working on a series of books about a private detective named Jack Thompson. Publisher's website: // Author's website: //.
