

Project Management: Proven Principles in Agile Project Management for Successful Managers and Businesses (Paperback)

By Thomas Keane

On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Discover Proven Principles in Agile Project Management This book is a detailed manual in agile project management and product management using scrum and other methodologies. It will explain the roles and principles involved in managing projects. Don't worry if you have never managed a project before. After reading this material, you will know how projects work and what you can do to ensure their success. Learn the 15 common mistakes in project management you have to avoid The first chapter focuses on the fundamentals of project management. You'll discover the different aspects of this field such as quality management and risk management. The second chapter will define agile software development and scrum. After reading the second chapter, you'll know how to run your own scrum projects. The third chapter focuses on planning, scheduling and resource management. It will teach you how to form effective plans for your projects, as well as the information that you'll need during the planning stage. The fourth chapter is all about risk management. If you are careless, they might ruin the project..
