What if there really was someone who could see into the future, read people's thoughts and move things with their mind? Simon is just such a man, a real and genuine psychic, but in five days time he is going to die at the hands of a serial killer known as Lucifer. His only hope is to enlist the help of Steve Brennus a former soldier whose family life and business have just collapsed in ruins. Together they must reveal Simon's abilities to the world while trying to evade those who would seek to control him. And all the while the shadow of Lucifer draws closer. As Simon becomes lost in the shadows we are faced with eternal questions. . . Can friendship overcome evil? Can faith overcome fear? Can anything overcome the visions of the world's first psychic? With a small cast of engaging characters, blistering pace and a beautifully drawn villain, FIRST AND ONLY is a great thriller and an impressive debut novel. From the intensity of the first scene to the dramatic and satisfying climax the story pauses just enough for readers to catch their breath. This item ships from multiple locations.
