

Personality Decoder: Identifying and Maneuvering Around Different Personality Styles (Paperback)

By K W Williams

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wished that you could read minds? Have you ever struggled with reading people? Have you run into communication breakdowns that seem unresolvable? Well, here it is, your very own personality decoder. This book will show you how to read people like open books. Say good-bye to personality conflicts and communication issues. Say hello to easy relations with anyone and everyone. By being able to read people's personalities, you can achieve peace and harmony in all of your interpersonal relationships. Doesn't that sound like Heaven? All people are unique. But people can be broken down into categories of different traits. Knowing what these traits are and how to recognize them in people is how you can decode who people are at heart. Quite easily, you can read someone's personality based off of their behavior and stated preferences. From there, you can determine how to talk to someone, how to seduce someone, how to befriend someone, even how to work better with someone. You can also gain a better understanding of yourself. This book will take...

Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible books we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
