First Edition Design Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.4 Essential Steps of Big-Hearted Change is a guidebook for change that serves the highest good of all involved. The process and tools are appropriate for individuals, families, organizations, communities, countries, and the world at large. A new approach to change is offered that originates in the heart. It works because it comes from love and a consciousness far beyond that of the mind alone. This is an inspired work - a gift to humanity - that is designed to take us into our new world rising. The love and guidance within its pages gently moves us out of old fear-based mindsets and crumbling systems of control. The result is an upward movement into a love-based life that brings a heavenly reality to earth. It begins with you, the individual, helping you to remember who you are and why you are here. You are shown how to use the problems, changes, and decisions of life to support your growth, bring forth your truest self, and live from your heart. As each of us does this, we create a life that manifests our highest potential. We also join heart to heart with others who are doing the same. The outcome is true change for humanity that propels us into a higher state of living - one of peace, harmony, and the unity consciousness necessary to co-create sustainable systems which support the highest good. Logic is a wonderful thing. But logic is not a workable foundation for change that truly makes a difference. We are moving into the unknown. Logic will not take us there. In fact, the mind cannot lead us in this endeavor. It doesn't know the way. We must allow...
