Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The author of the award-winning *Spill Simmer Falter Wither* returns with a stunning new novel about a young artist's search for meaning and healing in rural Ireland. Struggling to cope with urban life - and life in general - Frankie, a 20-something artist, retreats to her family's rural house on turbine hill, vacant since her grandmother's death three years earlier. It is in this space, surrounded by countryside and wild creatures, that she can finally grapple with the chain of events that led her here - her shaky mental health, her difficult time in art school - and maybe, just maybe, regain her footing in art and life. As Frankie picks up photography once more, closely examining the natural world around her, she reconsiders seminal works of art and their relevance. With prose that makes sure we look and listen (Atlantic), Sara Baume has written an elegant novel that is as much an exploration of wildness, the art world, mental illness, and community as it is a profoundly beautiful and powerful meditation on life.
