Excerpt: . . . 13 3 million for DHS to consider developing a system to monitor security and emergency alerts about the transpor-tation of certain hazardous materials and to disseminate that information to the public; and 4 million for DHS to develop and implement a plan to re-view the security plans for certain pipeline systems. Assuming appropriation of the specified amounts, CBO estimates implementing those provisions would cost 10 million in 2008 and 31 million over the 2008 - 2012 period. Reports, Assessments, and Guidance. S. 184 would require DHS to assess the security of rail and pipeline transportation and to pre-pare several reports to the Congress on that issue. The bill would authorize the appropriation of 5 million in 2008 to complete a risk assessment of freight and passenger rail transportation. DHS would prepare subsequent annual updates to that assessment. The bill would require DHS to develop, issue, and update, as nec-essary, detailed guidance for a program...
