Reviews

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.

Three Rivers Press, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Spirited, successful Venus Johnston is back--in the long-awaited sequel to *Nappily Ever After*. Venus feels history repeating itself, and she's not loving it. She ended a relationship with Clint because he couldn't commit, cut off her long, processed hair, and started on a new path with a new boyfriend. But she's been with Airic for more than two years, and they still haven't set a wedding date. When a temporary project takes her to Los Angeles, Venus welcomes the opportunity to spend some time with her family in California and to see if a little absence makes Airic's heart grow fonder. But in L.A., savvy, ambitious Venus runs head-on into a new complication--the equally savvy and ambitious Jake Parsons, a former rap star turned clothing designer. Jake's as suave as he is successful, and ten years her junior. Venus's job is to create a marketing campaign for his urban wear. Jake's job, it seems, is to distract her from her long-distance romance with Airic. When Venus's mother is diagnosed with breast cancer, her entire world seems to crumble. Everything she thought would make her happy--her new look, her successful career, her fiance--can't fix the sadness and emptiness she feels. But before she throws in the towel, she's offered one more chance, a chance for change, for growth, and maybe even for a new love. Will she take it? Or give in to the notion that her life will always be close but no cigar? Moving, romantic and inspiring, *Would I Lie To You?* is one woman's happy, lighthearted story of giving in instead of giving up.
