FANTOME (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Lauren Adams (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Can an intense Thriller/Adventure also contain humor and romance? P.A. Morris believes so! This is the third and final episode of the adventures of the brilliant, beautiful and very tall archaeologist Anastasia Nedved and her 5 5 Army body guard, Sergeant Terry Terry. She was a privileged lady accustomed to always getting her way without question until she met the man she refers to as Sarge. He is a socially awkward Aspie and a master of aikido with an eidetic memory and a few secrets of his own. In the first episode (Author s Alliance rating of Five Stars) titled Sensory Overload, Sergeant Terry s movements and primal instincts were so similar to the feared jaguar that the natives of Meso-America named him Yaguara. In their last adventure, titled Yaguara, Anastasia again enlists Sergeant Terry to foil the attempts of the world s most stealth international villain. The action takes place in the Amazon forest and the barren wasteland of West Texas. Because his whereabouts are unknown except for cyberspace, this villain is known as Fantome. This book was a Quarterfinalist in the 2014 Amazon Breakthrough Novel Award. In this final episode, titled Fantome, the international criminal decides to seek revenge on all who doomed his adventure in the Amazon. The big prize is capturing Ana. Action takes place in London, Prague, Paris and . . . Houma, Louisiana. But in the process the master criminal determines that the ancient security system guarding the Bohemian Crown Jewels in Prague Castle can easily be breeched. Enlisting a band of gypsies to acquire the seven keys needed to open the vault containing the jewels, maybe he can gain two...
