Reviews

Thorough guide for pdf enthusiasts. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.
(Dr. Rowena Wiegand)

EXPLORING THE WORLD OF EAGLES (PAPERBACK)

FIREFLY BOOKS LTD, Canada, 2010. Paperback. Condition: New. Language: English . Brand New Book. Only two kinds of eagles live in North America, the bald eagle and the golden eagle. These majestic birds belong to the same family and share many physical traits and behaviors, but there are also important differences between them. In this fully illustrated introduction, young readers will discover why the bald eagle lives along the coastlines of oceans, lakes and rivers while the golden eagle prefers mountainous regions, prairies and plains. They ll learn about the impressive nest-building skills of these two raptors and their courtship displays, mating patterns and fierce hunting styles. Full-colour photographs provide close-ups and action shots of these aerial performers, while the engaging text, sidebars and captions offer insights into the life history of two of the world s most powerful winged predators.
